

Don't just go solar.

SUNPOWER®

by Sun Solar

The Sun Solar Advantage:

Best Product

SunPower solar panels produce more power per square inch than conventional panels. And you're covered by our industry-leading combined Power and Product Warranty.

Best People

Sun Solar is locally owned and operated, offering the best customer experience from start to finish, with the best installations, period. As the most award winning SunPower Dealer in the region for the past 3 years, Sun Solar offers local service with national recognition.

A Unique Opportunity

Together SunPower and Sun Solar offer Central Valley homeowners the unique opportunity to receive the best of the best in product and customer care.
